

# Products Management System : User Manual

1. The user registers with their email and password in order to access the system.

The screenshot shows the 'Register' page of the 'Products Management system'. The page has a dark header with the system name on the left and 'Register' and 'Log in' links on the right. The main content area is white and contains the heading 'Register.' followed by the subtext 'Create a new account.' Below this is a registration form with three input fields: 'Email', 'Password', and 'Confirm password'. A 'Register' button is positioned below the 'Confirm password' field. To the left of the button is a link 'Add new category'. At the bottom of the page, there is a copyright notice: '© 2021 - My ASP.NET Application'.

2. This is the page that the user sees when he/ she is unregistered

The screenshot shows the page for an unregistered user in the 'Products Management system'. The page has a dark header with the system name on the left and 'Register' and 'Log in' links on the right. The main content area is white and features the heading 'Manange Your Products Here!'. Below the heading are two links: 'Add new Category Here' and 'Add new a product Here'. At the bottom of the page, there is a copyright notice: '© 2021 - My ASP.NET Application'. A bright green vertical bar is visible on the left side of the page.

3. This the login page, only the registered users can login.
